PURCHASE PRICE

Rp 385,000,000

MONTHLY RENTAL

Not for rent

External dimensions 2 × (6.06 × 2.44 × 2.59 m) — 1.6 m cantilever

Internal dimensions Total ±28 m² + rooftop

Capacity 2–4 people

Lead time Built to order in 6–8 weeks

A two-story container villa with an iconic cantilever design. The ground floor holds the living room, kitchen and bathroom; the upper floor has the master bedroom with wide glass windows and rooftop access.

This design is a favorite for tourist villas, premium glamping and holiday retreats. The entire structure is calculated by engineers and can be adapted to the contours of your site.

SPECIFICATIONS

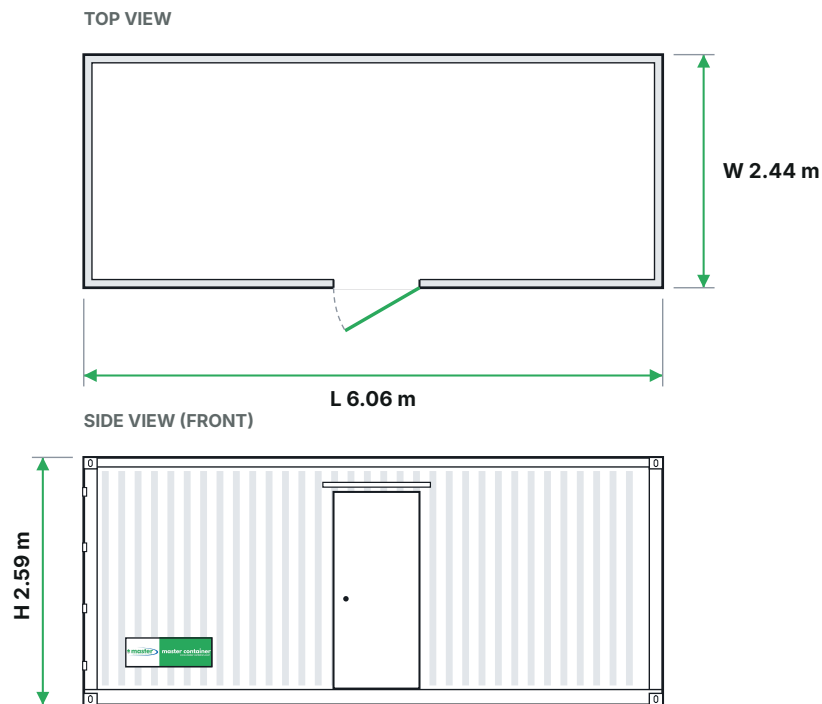

Frame	Original container frame + galvanized hollow-section reinforcement
Exterior wall	Corrugated steel plate (corten steel) 1.6–2.0 mm
Interior wall	Wood-grain HPL / WPC panels
