

BUYING GUIDE

CONTAINER BUYING CHECKLIST

Tick each item before ordering, at contract stage, before delivery and at handover.

1 BEFORE ORDERING

- ☐ Purpose, number of people or items, and period of use are clear
- ☐ Site size and clearances have been measured
- ☐ Unit size and condition have been chosen
- ☐ Renting and buying have been compared
- ☐ Facilities listed: doors, windows, AC, power, water, partitions

2 QUOTE & CONTRACT

- ☐ The quote itemises the unit, conversion, delivery and installation
- ☐ Materials are clear: walls, floor, insulation, anti-rust paint
- ☐ Working drawings approved in writing
- ☐ Production and delivery schedule in writing
- ☐ Payment terms and warranty in writing

3 BEFORE DELIVERY

- ☐ Road access is wide enough for the truck and crane
- ☐ Ground is level and the base is ready
- ☐ Power and water connections on site are prepared
- ☐ Someone responsible is on site when the unit arrives

4 AT HANDOVER

- ☐ Size, colour and openings match the working drawings
- ☐ Doors, windows and locks work properly
- ☐ Power tested: lights, sockets, AC, MCB
- ☐ No leaks, dents or peeling paint
- ☐ Warranty document and maintenance guide received
